Although we take extra care to keep your fish safe and free of harm during the pond clean out, we cannot guarantee their health or safety. During certain times of the year, the immune system of your fish can be at their weakest and they are most vulnerable to disease, stress, injury or other physical illnesses, even death. Therefore, Pondscapes of Charlotte LLC, does not, at any time, take responsibility for the health or safety of your fish and will not be held liable or negligible for the health, safety or physical well being of your fish.
